## REFERENCE

With this reference, we would like to express our gratitude and satisfaction with the partnership with "Stenik Group" Ltd. The specialists from their team demonstrated exceptional professionalism at all stages of the development of our online store [www.balmina.bg](http://www.balmina.bg).

"Stenik Group" showed not only professionalism and deep knowledge in the field of e-commerce, but also an individual approach, taking into account the unique needs and specifics of our business.

Their creative approach turned our online store into a modern and functional space, in line with the highest standards for user experience. The technical support provided by "Stenik Group" Ltd. is always timely and impeccable. Thanks to the high quality of their services, we are able to focus our efforts on the core aspects of our business.

It is with great pleasure that we recommend "Stenik Group" Ltd. as a reliable and competent partner for the development and maintenance of an online store. Their unique approach and pursuit of excellence make their service indispensable for any business that wants to be successful in e-commerce.
