## REFERENCE

With this reference, we at VITASLIM INNOVE OOD would like to express our satisfaction and high appreciation for the work and professionalism of the company "Stenik Group" OOD, with which we have been a partner for 5 years.

We are grateful to "Stenik Group" for maintaining the high quality of the services provided at all times. Relying on an individual approach and detailed study of our needs, the team of "Stenik Group" implements our projects in the best possible way according to the assignment and strives to offer us the optimal solutions, taking into account all the specifics.

"Stenik Group" OOD built our new online store bemore shop, respecting all agreed deadlines and requirements. The patience and creativity of their team contributed to the modern appearance and functionality of our online store and a convenient interface. They made the work easier and contributed to our good presentation on the Internet.

We continue to rely on their technical support for the optimization of bemore.shop. We recommend "Stenik Group" Ltd. as a reliable partner who can be relied on to generate good web solutions, control over content and security of information.

We wish them success and many more satisfied customers!
