

REFERENCE

issued by BG RADIO to "Stenik Group" Ltd.

The team of BG RADIO would like to thank "Stenik Group" for the competence, professionalism, and responsiveness shown during the development of our website www.bgradio.bg.

The website was implemented according to our requirements, and at the same time, we received valuable advice for achieving the best possible result. Thanks to the dedicated work of the contractor, we managed to launch the website on the pre-scheduled date (and time), and all deadlines were met with exceptional accuracy. Whenever a question arises on our side, the "Stenik" team is available for consultation, and when we need to update the website, the colleagues respond as quickly as possible.

We, at BG RADIO, have an excellent impression of the work of "Stenik" and recommend their future partners to rely on their competence and reliable service.
