from "Bobo Zander Europa" EOOD

Bobozander.com For the realization of the new online store, we sought experts who meet our high requirements for creativity, originality, and quality. In Stenik and Magento, we found the right partner.

Mr. Stefan Chorbanov personally engaged with the project management on Stenik's side, which added an individual approach and impeccable management to the project.

Our communication with Stenik's specialists was more than excellent. The design and programming were executed at a high level.

We are impressed by the great professionalism, responsiveness, and responsibility of the entire team involved in the realization of the Bobozander.com project.

We gladly continue our joint work with Stenik on the development and modernization of the uniquely crafted online store Bobozander.com. We recommend Stenik as a partner to everyone who seeks high professionalism, correctness, and youthful enthusiasm.
