

REFERENCE

With this reference, the team of **"DIEM" Ltd.** wants to share their satisfaction and high appreciation for the work and professionalism of **"STENIK GROUP" Ltd.**, with whom we worked on developing the company's website.

Thanks to their individual approach and research of our needs, they perfectly executed their task of creating and launching our website. **"STENIK GROUP" Ltd.** helped us supplement our employees' knowledge, observing all agreed deadlines and requirements.

The patience and creativity shown by their team contributed to the modern appearance and functionality of the website, which is very important in today's dynamic work environment.

We continue to rely on their help for upgrading the website through a mobile application.

We recommend **"STENIK GROUP" Ltd.** as a reliable partner that can be counted on to generate good solutions and convey them through a diverse and easy-to-understand approach for employees to independently maintain the website.
