to

## "STENIK GROUP" Ltd.

## from "GALAXY BULGARIA" EOOD

With this reference, I would like to express my gratitude to the entire team of STENIK for their work on building our online store www.galaxy.bg.

STENIK is a company of competent young people working in a friendly atmosphere and with a very positive attitude towards work and the client. Communication with them is fast and easy.

The company has extensive experience which contributed to the enrichment of our initial concept.

STENIK also offers post-warranty support and upgrading of the original project, which is very important for its future development.

I recommend STENIK to everyone who wants to make their own website or online store.
