

REFERENCE

issued by General Distribution JSC

With this reference, we express our satisfaction with our joint work with the team of "Stenik Group" Ltd. Thanks to them, we built our first company website: <http://generaldistribution.bg/>

With their high professionalism, the team of "Stenik Group" Ltd. met all our requirements to create together a client-oriented website with a welcoming and intuitive design. In the process of work, all deadlines for the individual stages were met.

The trust we built between us, during our intensive communication, is based on the competent solutions and quick reaction from Stenik to achieve maximum results. We gladly continue our joint work with "Stenik Group" Ltd. both for the development of this website and for future projects.
