## REFERENCE

from Hotel Silver House, Sofia  
to Stenik Group Ltd., Sofia

in certification of its professionalism and good specialization in the field of graphic and web design.

Stenik Group Ltd. completely built the website of Hotel Silver House. They impressed us with a rich portfolio and an extremely professional vision regarding the best way to present our corporate identity on the Internet. Stenik Group showed high professionalism and quick response; they were professional in understanding our needs and responded in the most appropriate way to our requests.

High evaluation is received not only for the construction of the entire Hotel Silver House website, but also for the timely and quick preparation of banners for online promotions and campaigns, for daily web maintenance. Even after the website is launched, we continue to make improvements in its functionality, and Stenik Group react extremely quickly, effectively, and their ideas are top-notch. With extreme attention to detail and our requirements, Stenik Group prove that they sincerely value our partnership.

From all of the above, we believe that Stenik Group Ltd. is truly a reliable and extremely correct partner. We recommend the services of Stenik Group Ltd. to anyone who wishes to receive professional, fast and creative development of their projects.
