## REFERENCE

from  
**INTERPRED – World Trade Center Sofia AD**

With this letter, we would like to express our excellent impressions of the activity of Stenik Group Ltd.

Stenik Group offered us professional comprehensive service in the field of web design, development and management of advertising campaigns in the internet space.

Our cooperation showed their high work criteria and absolutely professional attitude related to the assigned projects, such as:

- Proposal for corporate vision
- Proposals for advertising campaign in the internet space
- Creation of advertising banners for web and media presentation
- Creation of a newsletter system
- Management of advertising campaign in the internet space
- Analysis of advertising campaign in the internet space
- Excellent work within the agreed deadlines for project execution
- Readiness to work in cooperation with competitors to achieve a result that satisfies the needs of the Client.

The company works as a team and offers answers to your questions, this is a style that distinguishes them and saves our time in daily business.

We recommend Stenik Group to all companies in need of such services!
